

# Anniversary Match Challenge

It's not often you get the chance to double the value of a gift but that's exactly what's possible with the Lawton Community Foundation Anniversary Match Challenge offered to the United States Field Artillery Association Foundation. In recognition of the impact of the first 10 years, the Lawton Community Foundation is offering the Anniversary Match Challenge to encourage donors to support the organizations' endowments so they can continue to have a positive impact on our community. Between November 1, 2008 and December 31, 2009, every gift made to the USFAA Foundation Endowment Fund will be matched dollar-for-dollar up to \$5,000. That's an opportunity for the USFAA Foundation to increase our endowment fund by \$10,000 but we need your support. Your donation dollars will go a long way to ensure USFAA members and their family members will always have scholarship money available to them through the USFAA Foundation Endowment Fund. To learn more about the Anniversary Match Challenge, please call (580) 353-7800 or visit [www.lawtoncf.org](http://www.lawtoncf.org).
